

Re: Notice of Business Wind-Down and Transition of Operations- Engler Engineering

Dear Valued Customer and Strategic Partner:

Please accept this correspondence as formal notice that Engler Engineering Corporation, a Florida corporation (“Company”), has commenced an orderly wind-down of its business operations and affairs. After careful consideration, the Company has made the strategic decision to cease ongoing operations and begin the process of concluding its business activities in an organized and professional manner.

This decision was not made lightly. We are deeply appreciative of the trust, confidence, and professional relationships we have built with our customers, vendors, consultants, subcontractors, suppliers, and strategic partners throughout the years. Your support and collaboration have been instrumental to the Company’s operations and success since 1964.

The Company is presently undertaking the steps necessary to conclude its affairs in accordance with applicable Florida law, including, where applicable, the Florida Business Corporation Act, Chapter 607, Florida Statutes, and all other applicable contractual and legal obligations. During this transition period, the Company intends to continue cooperating in good faith with customers and partners to facilitate an orderly conclusion of ongoing matters.

Please note the following regarding the transition process:

I. Existing Projects and Obligations

The Company is currently reviewing all active projects, contracts, service agreements, purchase orders, and outstanding obligations. Company representatives may contact you directly regarding the status of any ongoing matters, project completion issues, transfer opportunities, outstanding deliverables, or transition logistics.

II. Communications and Records

All future communications concerning open projects, invoices, records requests, final documentation, or transition-related matters should be directed to:

III. Outstanding Payments and Invoices

The Company respectfully requests that all outstanding invoices, accounts receivable, and contractual payment obligations be addressed promptly in accordance with existing agreements and payment terms. Timely resolution of open accounts will assist in the orderly administration and closure of the Company's affairs.

IV. Vendor and Strategic Partner Coordination

The Company welcomes reasonable coordination efforts regarding project close-outs, transfer of responsibilities, records retention, equipment retrieval, and any mutually necessary transition matters.

V. Future Operations

Except as otherwise expressly agreed in writing, the Company does not anticipate entering into new projects, engagements, or contractual commitments after May 8, 2026.

Please understand that this transition is intended to be conducted in a professional, responsible, and legally compliant manner with minimal disruption to customers and business partners. We remain committed to cooperating reasonably and professionally during this process.

We sincerely thank you for your business, partnership, and support over the years. It has been a privilege to work with you, and we appreciate the opportunity to have served your organization.

Should you have any questions concerning this notice or any ongoing matters, please do not hesitate to contact the undersigned.

Sincerely,

Michael Engler
